

AMERICAN COMMUNITY TELEVISION

Petition in Support of Public, Educational and Government (PEG) Access Television

Public, Educational and Government (PEG) access television is an important source of democratic media and localism in our community. We support efforts to preserve PEG television through the passage of the Community Access Preservation Act (HR 3745, the CAP Act). We urge the U.S. House of Representatives and the United States Senate to protect and preserve PEG funding and PEG channels through swift passage of the CAP Act.
